

Constitution & Bylaws

The Regina Multicultural Council shall be a member-based, non-profit corporation with its registered office in Regina, Saskatchewan.

Culture Defined

Culture is the characteristics and knowledge of a particular group of people, defined by everything from language, religion, cuisine, social habits, ethnicity, sexual orientation, heritage, music and arts.

It defines who we are as a people; keeping alive our past, reflecting our values, articulating our dreams, and fostering pride in who we are. It proclaims our existence and identity to the world.

Cultural Activity Defined

Cultural activity mirrors a culture; it is how a culture perceives and expresses itself, and is perceived, as expressed, by others. It can be defined as the symbolic forms and the everyday practices through which people express and experience meaning.

Culture in Regina Defined

Regina has many forms of cultural expression. Overall, there is a level of shared experience that defines a culture, rooted in our shared sense of place. It includes our languages, our heritage, our stories, our traditions, our rituals, our spirituality, our inventions, our products and our expression. The people of Regina experience and reflect their culture daily, through a variety of cultural activities, such as creation, preservation, research, presentation, appreciation, participation, education, professional development and training.

Cultural activity manifests itself in the actions of one individual; or of individuals who associate with each other to further the course of one or more aspects of culture, their personal development, or to promote understanding between cultures.

Regina Multicultural Council Defined

The Regina Multicultural Council is comprised of community-based organizations and individuals who have joined together voluntarily to further the course of culture. The membership fosters cultural experience that strives to be the best that it can be.

Arts Defined

Art is the expression of inspiration and imagination, from individual to collective, from grassroots to professional, and institutional. Art reflects our culture, embraces our past, provides a window to our future to examine ourselves and our experiences, and transmits humanity's knowledge of the world.

Heritage Defined

Heritage is what we have received from the past. It shapes our present identity and provides insight for our future.

Multiculturalism Defined

Multiculturalism represents the openness to experiencing and celebrating cultural differences. It is inclusive of all peoples and respectful of the rights of individuals and groups to maintain and practice their cultural heritage, distinctiveness, growth and evolution.

Multiculturalism recognizes the richness and strength of ethno-cultural diversity. It builds community by encouraging people to share, learn, appreciate, respect and accept.

The Regina Multicultural Council will support the fundamental principles of multiculturalism: cultural identity, inter-culturalism and social justice that are found in federal and provincial multicultural legislation.
